REGISTRATION

To register for an account, just click the Registration button that could be found at the lower left portion of the login screen:

The screenshot shows a web interface for logging in. At the top, there is a red header with the word "Login" in white. Below the header is the Vishay logo (a blue triangle with "VISHAY." text) and a dark grey bar with the word "Login" in white. The main content area is white and contains a section titled "Existing User" in orange. This section has two input fields: "User ID: *" and "Password: *". Below each field is a blue link: "Forgot your User ID ?" and "Forgot your Password ?". A note in italics reads: "* If you are new to Vishay, create an account now using our online registration process." At the bottom, there are three buttons: "Registration" (highlighted with a green border), "Login" (with a blue border), and "Exit" (with a grey border). A red note at the bottom states: "* Please note that the content on this Vishay Intertechnology portal is confidential and is for use by authorized persons only."

REGISTRATION

Fill in the fields. Fields marked with an asterisk are mandatory inputs. You cannot proceed if they are not answered.
